Off to Japan

Mr. Trevor Durose who is spending three weeks in Japan demonstrating the fine traditional crafts of the engraver.

Mr. Durose, who works at Spode, will tour the land of the Rising Sun where the company are winning big business.

He will take part in a British

Exhibition starting this week and the demonstration will include the company's popular Blue Italian pattern which has been in continuous production since 1816 and is a superb example of blue underglaze printing.

Mr. Durose, of Trentham, has been with Spode for more than 25 years.
